1 Share It or Keep It Private?

Some things are fine to talk about online. Other things should stay private. Circle **Share** or **Private** for each one.

Your favorite animal	Share	Private
Your home address	Share	Private
Your password	Share	Private
A book you enjoyed	Share	Private
The name of your school	Share	Private
Your phone number	Share	Private
A drawing you made	Share	Private

2 Strong or Weak?

A strong password is long, hard to guess, and used for only one account. Circle **Strong** or **Weak** for each password. Never use these examples as your own password.

1	**123456**	Strong	Weak
2	**password**	Strong	Weak
3	**Purple-Tiger-Rides-42-Bikes**	Strong	Weak
4	Your first name and the year you were born	Strong	Weak

Remember: the only people who should know your passwords are you and a parent or guardian. A real friend will not ask for your password.
